Another round of weeding of materials, focusing on the fiction collection, is planned while we have extra help this summer.

Our bookkeeper, Jen Morales, is leaving some time in July as her family is moving.

Mr. Hamer reminded the Trustees to complete the financial disclosure forms online.

The new sump pump will be put into service this week.

Mr. Hamer updated the Board on the grant program to assist with electrical costs. It is imperative that our usage remain under 200 kilowatt hours per month. He will try to manage carefully the use of the A/C this summer. We need to consider paying approximately $20,000 to overhaul the current Honeywell controller, which would allow us to manage better our usage.

There was a brief discussion regarding the type of orientation that would be appropriate for new Foundation board members.

9. Old Business

A. Library Garden
Jack Inguanti reported on the Eagle Scout project to refurbish the Library's back garden. The project is nearly complete and looks terrific. Jack handed out a spreadsheet of total expenses (except for the fountain) which is $1040.57. The cost of the fountain is estimated to be $500 or less, and it will be installed before the July 4th weekend.

Up to 12 volunteers participated over the course of several weeks. The Library will send photos and a press release to the newspapers to let the community know about the project.

**Motion:** To reimburse the Inguanti family for the $1040.57 spent for the garden project
**Moved:** Armacost **Seconded:** Rizzo
**For:** Armacost, Kajuras, Rizzo, Rodriguez, Vellis, Wester
**Against:**
**Abstain:** Inguanti

B. Architect's Report Review
The building committee met to review the materials presented by AA Architects at the last meeting. The estimates provided look high. It was agreed that construction will be limited to the main floor for this phase.

As a cost saving measure, it was suggested that we work with the architect to source local vendors for some of the work rather than have the general contractor do all the subcontracting.

The committee suggests that we fast track a bid for the new bathroom as that work can be easily done without moving staff.

Mr. Hamer noted that extensive ceiling work will need to be done during the project, and this will necessitate temporarily relocating operations to the basement.

It was suggested that the Foundation be asked for funds to complete the work required for the children's area which is estimated to be $50,000.

10. Executive Closed Session
WHEREAS, the "Open Public Meetings Act" requires that a public body adopt a resolution at an open meeting before going into closed session to discuss a matter which excludes the public as permitted under Section 7b;
